Parent/Guardian:

January 10, 2010

The youth of Frontline Fellowship will be having a car wash in June 2010. It is at this time we extend the opportunity for your teen(s) to obtain ads for our car wash booklet. The monies collected will go toward their summer camp, Six Flags pass or other youth functions.

The ads will be due on Wednesday, May 26, 2010. There will be three different ads sold this year. The first will be a full page ad for \$50, the second will be a half page ad for \$25, and the third will be a quarter page ad for \$15. Each student will need to get a business card from the company that is taking out the ad and we will create the ad for them. Each student will also need to give the business a letter recognizing their tax deductible gift.

Attached with this letter is an example of a half page ad and two quarter page ads. Please use this example when you approach potential businesses.

Please take advantage of this opportunity to relieve the burden of you having to pay for all the events that your teenager should attend this year.

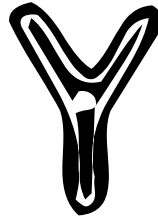

In Christ,

Rufus Valencia
